40-3/4	41-1/4	46-3/4	47-1/4	43	44	24	23	36 x 21-1/2	38,000 (NG) 37,000 (LP)

Is it an indoor fireplace with a window to the world outside? Or an outdoor fireplace with an inside view? Twilight™ II is both. It's the first-ever indoor/outdoor see-through fireplace that adds the warmth and beauty of a clean-burning fireplace to two spaces at once. Living room and patio, focal point and gathering place, friends and family. Why not have it all?

**Standard Features**

- 38,000 BTU input/hour (NG)
- Weather-tested/hurricane-rated
- Sealed combustion chamber
- No additional venting required
- Black exterior front

**Optional Features**

- Interior fronts in various finishes (required)
- Remote control
